

Assisted Living On My Income?

You can afford assisted living at Wardwell Gardens. How? With an income of \$14,000 to \$18,000 per year and an asset like your house, living at Wardwell gardens is not out of the question. You have more than you think you do. The house you have lived in and paid for all your life, is your key to enjoying all the amenities we offer.

To learn more about our application process, and how you can enjoy assisted living at Wardwell Gardens, call Marjorie Jamback. She will be happy to take the time to explain to you how you can afford assisted living at Wardwell Gardens.
