September LIMELIGHT, GREG COLLINS, LSW!

Greg is a Maine native who grew up on the East End of Portland. His very first job was working in the dining room at a home like Wardwell. Greg is a graduate of the University of Southern Maine where he earned a Bachelor's degree in Psychology with a minor in Deaf Studies. He currently lives in Buxton, Maine. "My favorite thing about Wardwell is the residents. It truly feels like a home away from home. I genuinely enjoy my role as Admissions Director and Social Worker. I have the privilege of working with individuals and their families and supporting them as they navigate some of life's most challenging moments!
