Pauline D.

Pauline is not only celebrating her birthday this month but also her third year anniversary at Wardwell. She is originally from Biddeford and says she is most proud of her family. She spent many years working in New England Healthcare Administration.

Pauline enjoys collecting sea glass, piano music, Italian cuisine, and springtime. Her favorite colors are blue and pink and loves to be outdoors or reading one of her favorite novels.

Pauline's motto is, "I worked my whole life and now I want to relax." She certainly is able to do that in the comfort of her apartment with the windows open feeling the beautiful breeze.
